Beautiful Location

We are in a beautiful part of South Devon, with easy access to the surrounding areas whether that is the local countryside, the award-winning South Devon coast, or the historic Dartmoor National Park.

2 Relaxing 'bolt-hole'

We are a quiet, relaxing park. Our whole emphasis is to be a peaceful 'bolt-hole' with delightful views where you can use your holiday home throughout the year. (For some, we might be too quiet, for others, we are just what they are looking for!).

3 Modern Designs

We provide high-quality lodge and caravan homes with the latest designs and technology, and we have new and pre-owned options available.

Webland Farm

“What a delightful place. Peace, surrounded by nature as only Devon can give you. Watching a Webland sunset over Dartmoor with a glass of wine on the decking of your caravan or lodge, swifts and swallows swooping overhead has to bring out the poet and artist in everyone.”
